## Hi Fellow Racers,

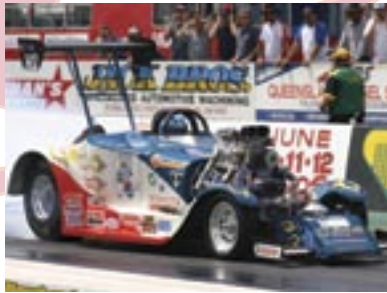

Finally, motor sports enthusiasts have two separate insurance plans. The deluxe “FULL ACCIDENTAL DAMAGE” and the “LIMITED BENEFITS” options underwritten by CGU Insurance Limited.

Don't take a chance on putting yourself out of racing or spending months trying to recover from a third party accident that may or may not have been your fault.

We take the hassle out of insurance (we have over 25 years of experience). We are dedicated drag racers who know the risks involved and are here to help you.

For dedicated race vehicle transporters we have special rates with NTI Australia.

Cheers,  
**Peter & Nathan Peirano**

## BEING COVERED IS EASY

We will give you both options - “FULL ACCIDENTAL DAMAGE” and “LIMITED BENEFITS” - it will be your choice. To receive cover we require payment by credit card over the phone – no worries.

# INSURANCE OPTIONS

## OPTION A

### FULL ACCIDENTAL DAMAGE

Cover includes everything in Option B plus accidental damage, e.g.- if you turn up at the race track, undo the trailer doors and the drum of fuel has moved and considerable damage is done to your vehicle. You have not had an accident, you have not jack knifed but your car is trashed. Unlike a lot of so called ultimate schemes or plans marketed in Australia, it would be covered. Cover for your tools, spare parts, driving suit, crew uniforms, merchandise and any other items associated with your racing activities can also be covered, as long as the sum insured is selected.

We can also provide full comprehensive cover on race car transporters and trailers under a separate scheme.

Premium funding is also available along with credit card payments up to \$5000 without any extra charge.

## OPTION B

### LIMITED BENEFITS

A simple and affordable insurance plan covering transit risks such as collision, overturning and jack knifing of your main vehicle. This Australia wide cover includes fire, flood, explosion or lightening strike, theft upon forcible and violent entry into locked vehicles, trailer and or premises.

This coverage continues at your home or workshop where your race car may be housed and includes fire, explosion, earthquake, storm and tempest, rain water including hail damage, theft upon forcible and violent entry into a locked premises and malicious damage.

Cover is excluded from when you leave your pit to move to and enter the staging lanes and or race track.

There is no cover for the vehicle whilst engaged in any racing or testing activities.
